OR...

Do it on video and e-mail it to us! Or create a short film. Whatever, as long as we get it. And, make sure you identify who you are!

Here are your writing options (choose only ONE!):

- 1) What thing would you most like to do in your lifetime and why?
- 2) What is the coolest thing you've ever done in your life so far? Describe it.
- 3) What do you think the fate of the world is going to be? Explain.
- 4) Who is the most important person in your world and why?

That's it. 100-200 words (or VERY short film) – no more. This not a test. You aren't graded on spelling and grammar etc. Have fun. *Please do this on a separate sheet and attach to the application (or if it's a video e-mail it to us at carlam@persephonetheatre.org).*
